INFORMATION DISCLOSURE
STATEMENT UNDER 37 CFR §1.97 and
§1.98

Mail Stop: Amendment
Commissioner of Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Sir:

The references cited on attached forms PTO/SB/08A and PTO/SB/08B are being called to the attention of the Examiner. Copies of references AP-AV and BI are enclosed. References AA-AV are references of record in commonly assigned U.S. Patent No. 5,723,853 while references AW-BH are references of record in commonly assigned U.S. Patent No. 5,942,741. Also submitted with the present Information Disclosure Statement is reference BI, a report summarizing references cited by the applicants or the Examiner in applications of which priority is claimed. Examiners have a duty to consider art references of parent applications. See 37 CFR

§1.98(d); MPEP §609. The Examiner is respectfully requested to initial the box adjacent to the BI reference listing to indicate that the Examiner has considered the references of record in applications of which priority is claimed under 35 USC §120. A report summarizing references of record in parent applications was submitted as reference LW in an Information Disclosure Statement dated June 20, 2005. Reference BI is essentially the same as the report designated reference LW in the June 20, 2005 Information Disclosure Statement except that the present report designated as reference BI more completely summarizes the references of record in parent application no. 09/385,597.

It is respectfully requested that the cited references be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the "references cited" on any patent to issue therefrom.

As provided for by 37 CFR §1.97(h), no inference should be made that the information and references cited are material to patentability. Also, no inference should be made that a reference is prior art merely because it is included in this statement. Under 37 CFR §1.97(g), the submission of an information disclosure statement should not be considered as representation that a search has been made.

Applicant believes that a fee is required for submission of this statement. A check in the amount of \$180.00 is enclosed.

The Commissioner is hereby authorized to charge any additional fees associated with this communication or credit any overpayment to Deposit Account No. 50-0289.

Respectfully submitted,

WALL MARJAMA & BILINSKI LLP
